Fiscal Estimate Narratives

DNR 7/11/2011

LRB Number	11-2239/1	Introduction Number	AB-0190	Estimate Type	Original
Description Carrying a concealed weapon if prohibited from possessing a firearm, purchasing a firearm for a person who is prohibited from possessing a firearm, and providing a penalty					

Assumptions Used in Arriving at Fiscal Estimate

The bill, which is contingent upon passage of concealed carry legislation, changes the penalty for a person prohibited from possessing a firearm. The bill also changes the penalty for a person prohibited from possessing a firearm who goes armed with a concealed weapon. The penalty changes from a Class A misdemeanor to a Class H felony. In addition, if the person prohibited from possessing a firearm was previously convicted of a violent offence, the person must also serve at least three years of confinement in prison.

This bill also makes it a Class G felony if any person purchases a firearm for a person knowing that the person is prohibited from possessing a firearm. Additionally, the bill makes it a Class F felony for the person prohibited from possessing a firearm to possess that firearm if he or she knows the firearm was purchased for them.

Under current law:

Class A misdemeanor is punishable by a fine not to exceed \$10,000 or imprisonment not to exceed 9 months, or both.

Class F felony, is punishable by a fine not to exceed \$25,000 or imprisonment not to exceed 12 years and 6 months, or both.

Class G felony, is punishable by a fine not to exceed \$25,000 or imprisonment not to exceed 10 years, or both.

Class H felony, is punishable by a fine not to exceed \$10,000 or imprisonment not to exceed 6 years, or both.

State and Local Government Fiscal Effect
